February 18th, 2021

Subject : KWM signed MOU on Research & Development Project of Hemp/Marijuana Extraction for SME co-development and future sharing economy.

To : President  
The Stock Exchange of Thailand

K. W. Metal Work Public Company Limited ("KWM") would like to report that on February 18<sup>th</sup>, 2021, K.W. Metal Work Public Company Limited has signed the MOU with JSP Pharmaceutical Manufacturing (Thailand) Public Company Limited ("JSP Pharma") on the Research & Development Project of Hemp/Marijuana extraction for both modern and traditional medicine purpose with the period of 1 year to February 2022. This co-operation between the two companies is the synergy of both companies' strong point. KWM is the experienced and successful company in manufacturing agricultural machine and equipment that leads to the development of the SUPERCRITICAL FLUID CO2 EXTRACTION MACHINE and the ULTRASONIC EXTRACTION MACHINE that can be used in Hemp/Marijuana extraction. While JSP Pharma has experience in manufacturing of modern and traditional medicines under GMP PIC/s and ISO9001 factory standard and JSP Pharma can expand their expertise in using their knowledge on high quality Hemp/Marijuana extraction for medicine, traditional medicine or even supplements. This MOU will allow other SME to join and develop their own product by sharing economy with high quality machine and high standard factory.

Please be informed accordingly.

Yours sincerely

.....  
(Miss Tiya Phon Vanagosoom)
