The Company has received total capital increase of THB 565.73 million baht. After deducting related expenses, the remaining proceeds are THB 550.32 million baht. The details regarding the objectives on the Utilization of Proceeds :

Objective	Approximate amount (million Baht)	Estimated expenditure period
1. Expansion of the prestressed concrete pile business	298.00	
- New factory construction project 2 nd Branch in Chonburi province	58.00	By the end of 2021
- Don phut Plant Capacity Expansion Project	45.00	By the end of 2022
- New factory construction project in Mukdahan	80.00	By the end of 2023
- Project for the purchase of concrete products transport trucks	50.00	By the end of 2021

4. Working capital for the Company's operations	22.32	By the end of 2021
Total	550.32	

However, after the capital increase, the Company has been considered that the use of the Company's capital increase for the previous objectives and capital utilization plan may not be in

accordance with the current economic realities, Moreover, the Company see the opportunity in development in new product such as micropile. The Board of directors deems it appropriate to adjust the objective of using the increased capital to be in line with the investment plan for the production of the said micropile. By reducing the investment for the development of raw materials used in production. And use the said amount to increase the working capital for the Company's operations instead and adjust the expected investment period for the construction of a new factory in Mukdahan province in accordance with the current economic situation as follows

Objective	Approximate amount (million Baht)	Estimated expenditure period
